Access fully consolidated legislation

Monitor changes and get access to a complete collection of Acts, Bills, By-laws, Gazettes and subordinate legislation. And, with Compare Versions, you can compare any two historical versions of Acts and sections, tracking and highlighting any changes.

National legislation

- Fully cross-referenced and current consolidated Acts and Regulations from 1910 to date, including repealed legislation (also in Afrikaans where applicable).
- Complete list of all Acts and Bills, amendment Bills, pending Acts and proposed amendments to Acts, updated daily and accessible to browse in alphabetical or chronological order or by research area.
- Fully annotated with links from principal Acts to amendment Acts, Regulations and Wording of Sections prior to amendment.
- Additional features at no extra cost:
 - Gazette Watch: Receive a weekly email alert of all new national, provincial and local government legislation, including Bills, Acts, By-laws, Regulations, notices and legislation for comment.
 - Bill Tracker: Track the lifecycle of new Bills from discussion and introduction by the Minister, Portfolio Committee or Assembly Member, through consideration by the Houses of Parliament and to assent by the President.
 - Compare Versions: View and compare historical versions of Acts and sections at any point in time from 2014.

Provincial legislation

- Acts assigned to provinces, as well as Acts, Ordinances and Regulations of the 9 provincial legislatures.
- Arranged by province and subject with alphabetical and chronological indexes.

Local Government legislation

- Municipal By-laws, rules, notices, policy documents and tariffs.
- Arranged by metropolitan, district and local municipalities for each province.
- Lists disestablished municipalities and former municipalities' legislation.

Africa legislation

Including Botswana, Ghana, Kenya, Mauritius, Mozambique, Namibia, Nigeria, Swaziland, Tanzania, Uganda, Zambia, Zimbabwe and more to follow.

Reduce research time with Legal Citator

Analyse the precedential value of cases you're researching, ensure the cases you've chosen are still valid and reduce your research time. Legal Citator canvasses five series of case law and has over 97 000 interlinked cases in constant, dynamic analysis, generating a Case Analysis report on each while colour coded signals alert you to the case's precedential status.

At the touch of a button, you'll find information on whether a case has gone on appeal and whether it was upheld or overruled. Legal citator's signal indicators also show you the status of the referencing cases, saving you countless hours.

Enjoy premium resources

Since 1934, we have consistently published premium titles that have earned their place in South Africa's most prestigious law libraries. These key reference works are available on Lexis Library

The Law of South Africa (Lawsa)

The only encyclopaedic work on South African law, presenting the law as it stands while incorporating statutes, common law and cases. Written by legal experts and vetted by a panel of eminent peers, Lawsa is the ultimate resource for legal research.

Forms and Precedents

A trusted resource of precedents and non-litigious forms for intelligent drafting across 27 areas of law. The precedents are drafted by experts in each field and updated regularly in line with changes in the law.

Specialist case law

We offer the widest range of specialist case law in South Africa, including the well-established All South African Law Reports (covering civil and criminal cases), Arbitration, Competition, Constitutional, Human Rights, Intellectual Property, Labour, Pensions and Tax Case Law. With expertly written summaries, cross-referencing, indices and more. Plus, with Judgments Online providing daily updates, the latest judicial decisions and an extensive case library, you can be sure your research is up to date, precise and dependable.

Organised by research area with 9 additional sub-categories to assist you in accessing relevant cases quickly and efficiently.

An intelligent search

Lexis Library delivers flexible search options aligned with the way you want to work. Navigate by research area, go straight to a favourite source or use advanced search options to find what you need. Narrow your search with filters for document type, publication, region or research area. Or use the Law Report, Legislation and Gazettes Online focus searches to get on-point, authoritative information, fast.

Find trusted, up-to-date information quickly and easily. Navigate by research area, use the Publications table of contents or search with one of the specialised options.

Stay up-to-date with email alerts

With our daily Current Awareness email alerts, Lexis Library subscribers are kept up-to-date with new case law and any changes to legislation. Tailor the content you receive by selecting areas that appeal to you – receive as much (or as little) information as you need.

Stop Press: News headlines and reference to Draft Bills, Parliamentary Bills, Acts, Regulations, Proclamations and case law within hours of their release.
Final Edition: News, legislation and case law.
Act Monitor: Monitor any number of Acts for amendments or important notices.
